## Newsletter

### July 2022

In the month of June, ICRIER released a report titled, 'Liberalisation of Wine Trade under India-Australia CECA', published by Academic Foundation. The release was followed by a panel discussion on the same topic. The event was very well-attended.

Our media articles during the last month covered a wide range of topics including climate change, food and beverage industry, digital transformation, agriculture, international trade, power shortages.

Notes: July 2022 issue of the Newsletter provides a quick recap of ICRIER's research and policy engagements during the month of June 2022.
