### Monthly Roundups

ICRIER organised a hybrid conference on 'Taming Inflation' on September 08, 2022. The Inaugural Address was delivered by **Smt. Nirmala Sitharaman**, Hon'ble Minister of Finance, Govt. of India. ICRIER also hosted a Webinar and Release of the Report on 'Digital Financial Inclusion of Women in MSMEs: G20 and India' and Webinar on 'Urban India's Affordable Housing Challenge'. These events were very well-attended.

We published the working paper titled, 'Safeguarding against Corruption during the Pandemic: Recent Evidence from the G20 Countries', and policy brief on 'Taming Inflation'. Both our publications received good responses.

Our media articles during the last month covered a wide range of topics including but not limited to the **jobs, exports, agriculture, transparent regulations, digital governance and power sector**.
