

## **Indian Council for Research on International Economic Relations**

**Position:** Research Assistant

**Location:** New Delhi

### **About ICRIER**

Indian Council for Research on International Economic Relations (ICRIER) is an autonomous, policy oriented, not-for-profit, policy think tank based in New Delhi. Its main focus is to enhance the knowledge content of policy making by undertaking analytical research that is targeted at informing India's policy makers and also at improving the interface with the global economy.

### **Job Description**

ICRIER is looking for a **Research Assistant** in the area of Climate Change and Sustainable Development. The team is engaged in conducting cutting edge research on climate mitigation, adaptation and green finance, for key government and not-for-profit clients. The candidate will be expected to contribute to on-going projects by building econometric and statistical models, analyze large datasets and may also be engaged in some amount of project-linked field survey.

### **Requirements**

- MA (Economics) / MSc. (Environment / related fields) / M.Tech. (Energy / Environment)/ MBA (Environment) from a reputed Indian or foreign university
- Clear understanding of climate change and energy related sectors and policies
- Prior experience with data management software such as MS Excel, R, STATA, Python, etc.
- Willingness to travel
- Candidates with prior work experience and knowledge of econometric and statistical modelling, energy systems modelling & big data management will be preferred.

### **Remuneration**

The selected candidate would be paid a CTC of INR 5.11 lakh per annum (Negotiable based on work experience).

To apply, kindly send your detailed **CV** along with a **cover letter** to [dsaheli@icrier.res.in](mailto:dsaheli@icrier.res.in). Only shortlisted candidates will be contacted for selection test and interview.

Last Date of Application: **18<sup>th</sup> April, 2020**
