

Mr. HIROAKI SUZUKI

Lead Urban Specialist: Finance, Economic and Urban Department, The World Bank;

Author of Eco2Cities

Hiroaki Suzuki has more than 20 years of experience in World Bank operations in infrastructure and public sector management in various regions. After working in the East Asia and Pacific Region, as East Asia Urban Sector Leader/China Urban Sector Coordinator for five years, he joined the Bank's corporate Finance Economics & Urban Department (FEU) in 2009 as Lead Urban Specialist and Eco2 Team Leader. He is the main author of Eco2 Cities: Ecological Cities as Economic Cities. Before joining the Bank, he assumed management responsibilities in Japan's Overseas Economic Cooperation Fund (current JICA) and in a management consulting company in Japan. He graduated from Yokohama City University and MIT Sloan School of Management and obtained a French Diploma from Caen University, France.
