

NTB and India's exports of leather products to EU

Bishwanath Goldar

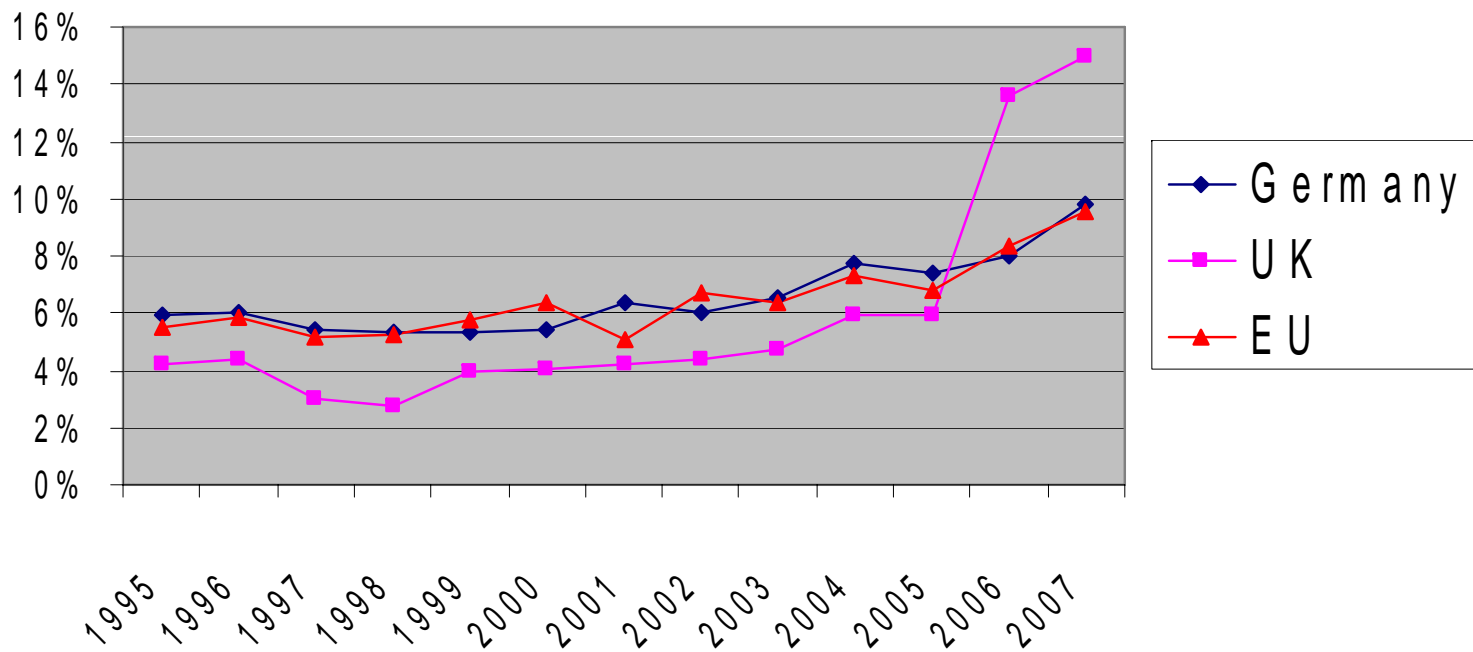

India's exports of leather products to EU (000 tonne)

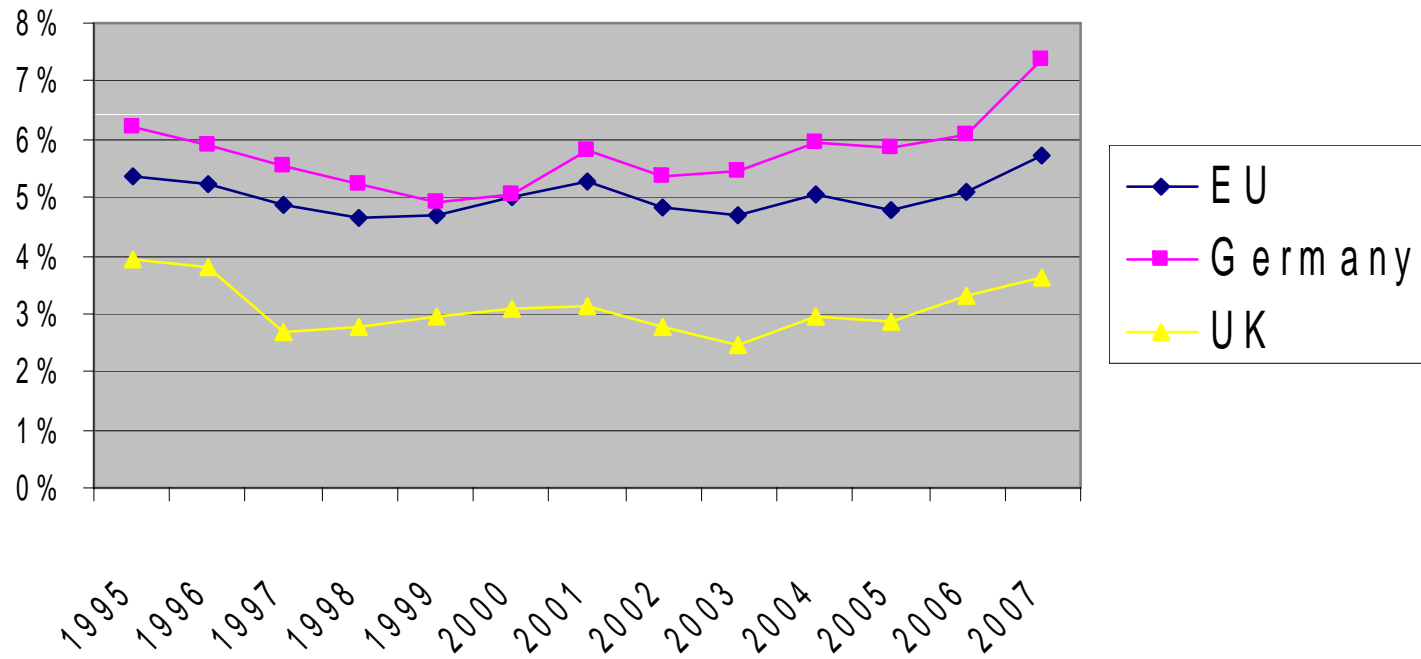

Share in India's exports of leather products

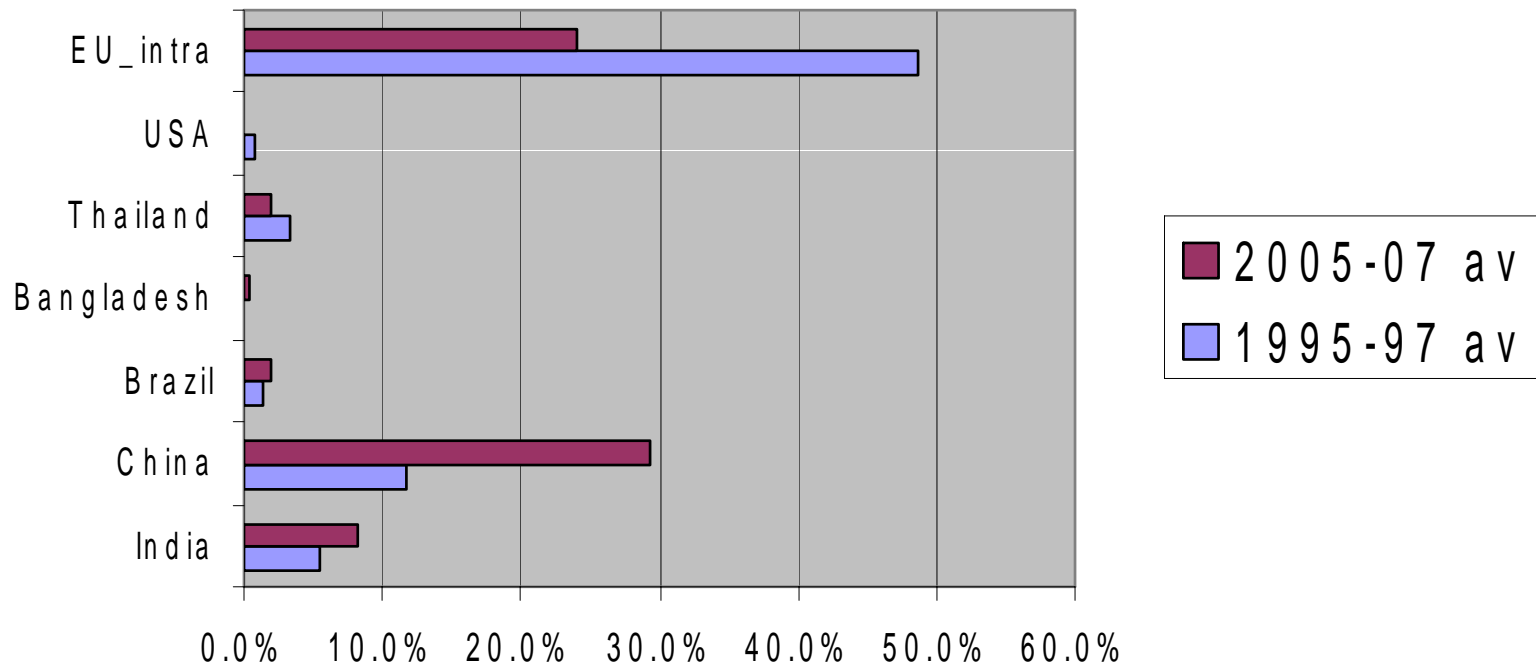

India's share in imports of leather products, volume

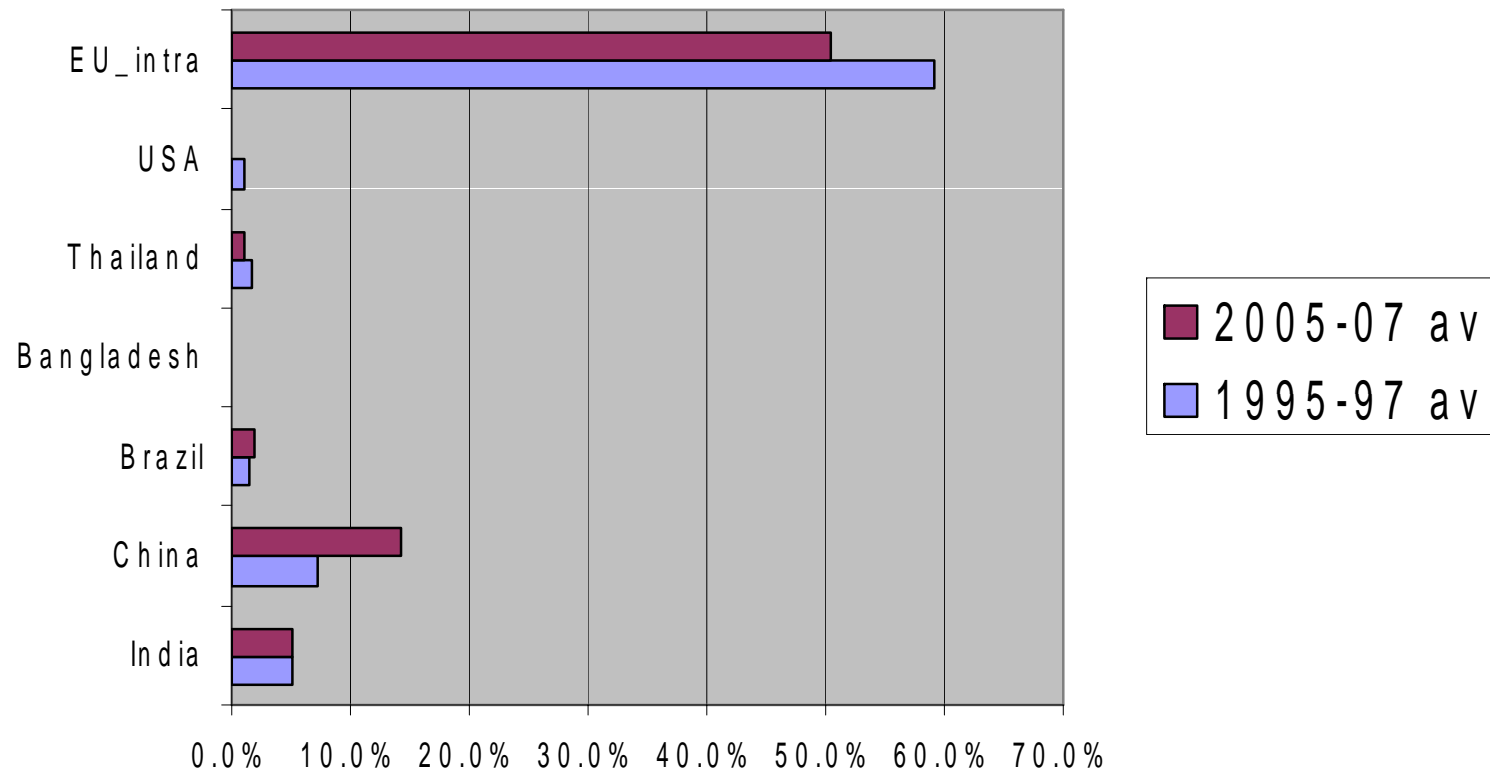

India's share in imports of leather products, value

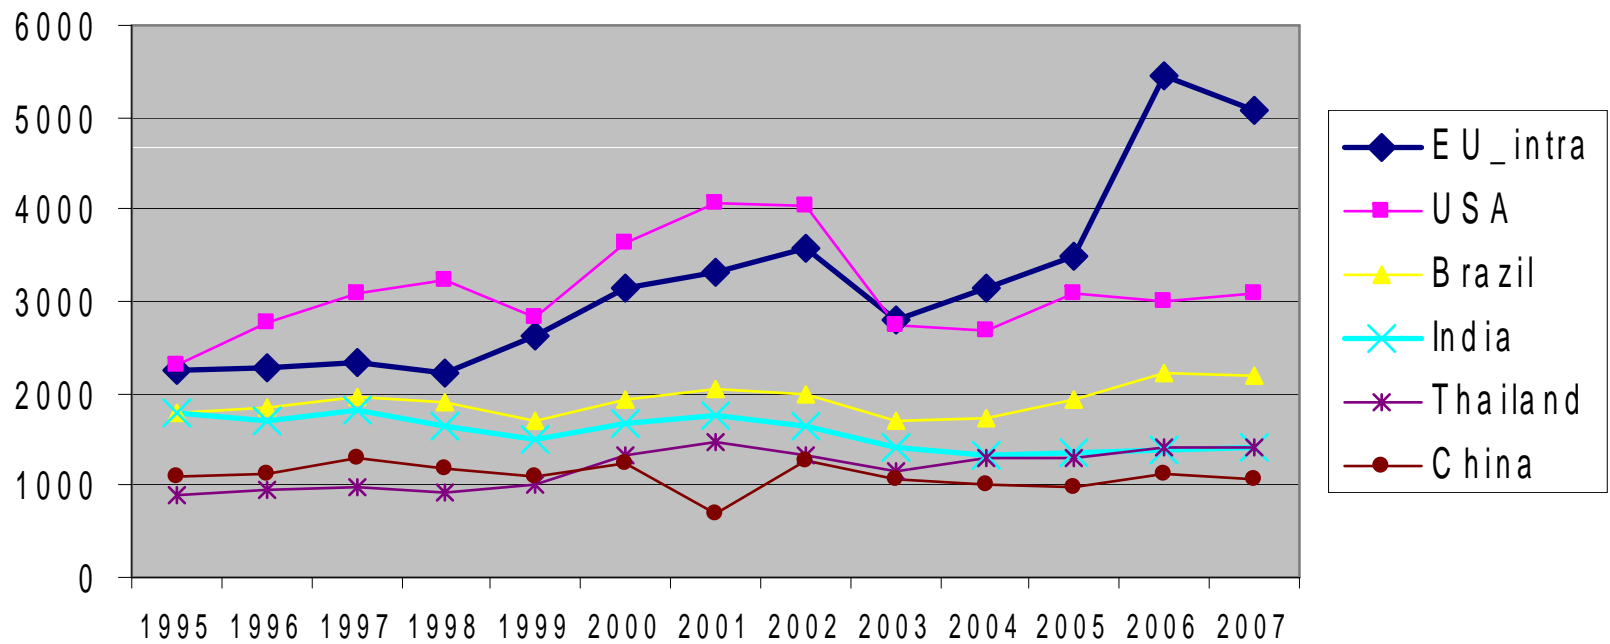

Share in EU imports of leather products, volume

Share in EU imports of leather products, value

Unit value realization, Euro per 100 kg, leather products

Issues

- Market power – price elasticity
- Increase in cost due to NTB – implication for wage rate

Thank You
