

Conference on
“India-Japan Economic Cooperation”
July 14, 2008
Magnolia Hall, India Habitat Centre
New Delhi 110003

The objective of the seminar is to spell out the opportunities and challenges for Indo-Japanese Economic Cooperation in today's rapidly globalizing world. The Conference will bring together some of the eminent policy makers, academicians, corporate executives working in the broad area of Indo-Japanese Economic Cooperation. The Conference attempts to identify and fill the gap in policy measures in both these countries to strengthen the economic cooperation between them. It also aims to identify future research domain on the subject.
